API

Dear all,
Apigee Edge is now fully decommissioned.

Thank you all for your support throughout this migration journey, your efforts and collaboration have been key to making this transition a success.

As a reminder, all APIs must from now on be published and managed in Apigee X.

COE API V1 has been shut down on April 21, 2026.

Make sure you are using V2 find the documentation here: [COE API V2](#)

Below the organization to use for publication & promotion:
